KIDS MINISTRY

Infant through 5th grade

NURTURING KIDS IN THE FAITH...

Nurtured faith grows! We help kids trust in God and place their full confidence in Him, His Word and His promises. To accomplish this, church staff, volunteers and parents partner together to provide tender loving care to kids that reflects God's own care of us. We take every opportunity to share with kids God's big story and His great love for them.

ENROLLMENT AND PASTORAL CARE

If you consider this your church home, then we encourage you to enroll your child in Kids Classes. This indicates your desire to connect children in community, receive helpful parenting tools for nurturing their faith and for Kids staff to walk more closely alongside your child in their spiritual development. Find out more at Kids Check-In.

FAMILY FRIENDLY

To help families experience God together, we use a "family friendly" rating system. This means children are welcome and have a place of belonging. Preachers or teachers make an effort to include words and illustrations children can understand. Children are able to participate in child-appropriate ways.

Types of "family friendly" events include Family Worship Sunday, The Front Porch, Family Christmas Eve, Greenwood at Belleview Park and Extreme Community Makeover. Look for

the family friendly logo in the Monthly Brochures, Weekly Bulletin and our website. Please note that parents are responsible for the supervision of their children.

KIDS CARE

We provide quality childcare in a fun environment so that parents can grow in their relationship with the Lord by attending an adult class or volunteering on Sunday morning. Stop by the Lodge in our Nursery Hall to learn more.

KIDS CLASSES

During the 9:30 or 11:00 a.m. worship time, friendly greeters will guide you in checking in children to one of our nursery, preschool or elementary classrooms. Once there, your child will experience authentic worship, hear God's story and discover His love for children, people and all the earth. Each learning environment is geared to assist them in experiencing God in age-appropriate ways. Helping your child to feel safe and accepted is our priority.

We help preschoolers understand:

- God made me.
- God loves me.
- Jesus wants to be my friend forever.

We help elementary kids understand:

- I need to make the wise choice.
- I can trust God no matter what.
- I should treat others the way I want to be treated.

PARENT AND CHILD CLASSES

Because parents are a child's primary spiritual instructor, we have created a series of classes designed to give them the tools they need to pass on the Christian faith. These classes represent spiritual milestones found in a child's faith journey and include helpful insights for helping kids place their trust in Jesus. Classes include

Infant Baptism and Dedication

Have you ever considered making a promise to God to raise your child in the Christian faith? This class will teach parents the basics of baptism and dedication while giving them helpful tools to begin their child's faith journey. Ceremony and reception included.

For Heaven's Sake

A family experience to help children begin their spiritual journey. Greenwood's gospel brunch includes a clear message of Jesus Christ the whole family can enjoy along with tasty breakfast burritos. A must for every child first grade and above.

First Communion

Is your child active in their faith? They may be ready for the Lord's Supper. Come learn about this sacred rite enjoyed by believers through the ages and receive insights into next steps.

Kids Baptism

Baptism is central to the Christian faith. Our kids' version is just right for elementary age kids who wish to publicly declare their faith and trust in Jesus Christ before family and friends.

VOLUNTEERS

Each year over 350 volunteers contribute 7,500 plus hours valued at \$112,500 working directly with kids or helping behind the scenes. If you have a heart for God and kids, then Kids Ministry is a great place to serve and connect with our larger Greenwood community. To learn more, attend a Volunteer Interest Meeting.
